

Ohio Classical Conference College Classics Award

The OCC College Classics Award recognizes and promotes academic excellence in Ohio higher education Classics programs, regardless of their size. Although the award is made for the program as a whole, the intent is also to recognize the contributions of the individual professor(s) to the program in its local environment, the region, and the nation. The primary criteria for selection are the quality of the curriculum in the Classics and the academic opportunities for the students within that curriculum.

The classics program selected for the award will receive the following:

- A permanent plaque for the college to display
- A modest stipend to be used by the classics department
- Recognition in local newspapers and state classics publications

Eligibility:

The applicant will have held membership in the Ohio Classical Conference for at least three years prior to the year for which the application is made. In addition, the applicant will have had at least three years of experience with his or her college's classics program. In the case of programs with more than one faculty member, the preceding rules apply to the principal applicant alone; however, if the additional faculty are not members of the Ohio Classical Conference, they must join at the time of application.

Materials to be Submitted (one set, not to exceed 25 pages, excluding the *curricula vitae* of faculty members):

1. A completed application form.

3. A *curriculum vitae* for each faculty member.
