I. Old Business

A. Review of and vote on Minutes: Accepted

B. Officer reports were minimal and mostly made quickly at the end of the session. However, KS reported that he had found a theme and other suggestions for the October 2023 meeting, which he would send around to all.

C. Discussion of OCC Constitution, guided by Garrett. **THIS DISCUSSION IS RECORDED IN THE APPENDED RECORD OF THE PROPOSED CONSTITUTIONAL AMENDMENTS.**

D. October 2023 Meeting:

CB: needs to hammer down the date. TW: has spoken with Madeline Miller's agent. MM is still not willing to travel, but is willing to do a zoom meeting for \$7,500. GJ: Maybe we should hold off on that. Would Pat Barker work? \$7,500 is too much for a screen presentation.

KS will send out a draft of his proposal for an overarching Homeric theme in honor of the approaching centennial of Milman Parry's dissertation.

SL: Let's set the date, regardless of the speaker. All are agreed on October 13/14<sup>th</sup> at Columbus Academy. Christy is canvassing possible speakers, as well.

EF: time to send out a CFP for the undergrad panel. GJ: try to cling to the Homeric theme.

Discussion of an academic panel is tabled until the next meeting.

TW: Should there be an Eta Sigma Phi event? Garrett is working on this.

SL: offers to communicate with the ACL on all events.

JK: asks members to email him with suggestions for his poster for the ACL/CAMWS.

TW: There will be a fee to put the poster in the CAMWS program.

SL: No fee for advertising with ACL

The meeting adjourned at 8:11 PM.
